“ PAST EXHIBITORS SAY IT BEST...

“The Pleasanton Chamber Tradeshow Mixers are among the most professional in the area. I get 5 to 6 time return of business from being an exhibitor at the Tradeshows. The events are marketed well and the price is great. I like the fact that I can pick my booth space the day of the event.” - **Rick Silva, B2B Gathering**

“The Business Tradeshows are a great way to let the business community know about our latest events, promotions and event facilities. It’s affordable and enables us to reach a number of potential customers in one evening. We are excited this year to share our plans for the Alameda County Fair’s 100th Anniversary.” - **Angel Moore, Marketing and Events Specialist, Alameda County Fair Association.**
