## Bay Commercial Bank comes to Pleasanton

New name, same great service.

Bay Commercial Bank is proud to be one of the newest names on Pleasanton's Main Street, acquiring the former Valley Community Bank. The Pleasanton Office, at 465 Main Street, will maintain the same professional staff, continuing to provide the excellent client service and community bank focus that we are known for offering our clients.

Bay Commercial Bank was conceived with the realization that clients deserve access to the decision-makers. They deserve the opportunity to have relationships with contacts at their bank that bring knowledge to the table; knowledge that can be used to advance the goals of the client's business. In short, they deserve what they themselves strive to provide to their clients: knowledgeable and professional service.

Bay Commercial Bank offers a full-range of loans, including SBA and USDA guaranteed loans, and deposit products and services to businesses and their affiliates throughout the Greater Bay Area. Bay Commercial also offers business escrow services and facilitates tax free exchanges through its Bankers Exchange Division. They are headquartered in Walnut Creek, with total assets of over \$600 million, and have been proudly serving the community since 2004. Our network consists of 10 branch offices regionally serving the five counties of Napa, Contra Costa, Alameda, San Joaquin and Santa Clara.

Stop by or call Bernie Billen, Vice President and Manager of the Pleasanton Office at 925-484-5400.
