Find Your Perfect Cup at Coffee Tea Superstore

Coffee Tea Superstore, located on Main Street in downtown Pleasanton, has a wide variety of coffees and teas to meet most consumer tastes and most ways of preparation. Owners Ken and Debbie Rhodes bring over 15 years of experience in the industry and can help you “find your perfect cup.”

Ken first got involved with coffee in 2001 when he went to a tradeshow and saw single cup coffee (Keurig) for the first time. “I thought it was a great idea for offices so I decided to start an office coffee service,” said Ken. Soon after, the business took off selling coffee and tea k-cups to both businesses and through an e-commerce store. As time went on, the business grew and Ken and Debbie learned more and more about coffee, coffee preparation and teas. When they decided to start a retail store, they leveraged many years of relationships to acquire some of the best coffees and teas available at prices that are a great value.

With many products that you will not find in other local stores, Coffee Tea Superstore carries whole bean coffee, ground coffee, K-cup compatible and Nespresso compatible coffees. For teas, they have a wide selection of whole leaf teas (over 40), tea bags and k-cup compatible teas. The store also has a selection of coffee and tea brewers, boxes, signs and other gift items. They can help make gift baskets for many occasion and budgets. Additionally, Coffee Tea Superstore can service any office and business coffee needs for customers in the local area with deliveries or shipping orders through their website.

“So many of our customers stop in and are amazed at the selection of products we have in the store, especially the whole leaf tea and the k-cup compatible products,” said Ken Rhodes.

In October, the store will celebrate its one-year anniversary of being open in Downtown Pleasanton. Coffee Tea Superstore is located at 610 Main Street in Pleasanton. Visit them online at www.CoffeeTeaSuperstore.com or call 855-587-3433.
