## Business Spotlight

### The life you deserve is waiting for you

Are you frustrated with any aspect of your life? Not sure how to stop making the same choices you keep making? Want to have a fuller life with more happiness, peace of mind and passion? Linzi Levinson's online life coaching practice can move you to a better place.

"I like to be creative in my practice," said Levinson. She

designs alternative ways to ease the pain from depression, anxiety, job transitions, feeling stuck, family estrangements, intimacy, and individual identity crisis. Her practice thrives due to innovative ways that she has created to energize the clients while doing vital and personal work toward growth and reaching their potential. She can see you in her local office

in Dublin or can offer phone or Skype sessions if you prefer.

She specializes in relationships, careers and personal growth. In relationship counseling, her clients are typically more able to effect change in their lives, accomplish goals, develop increased self-esteem, enhance relationships and have a better work/life balance with less stress.

Levinson enjoys a successful Relationship Counseling Practice as well as a Comprehensive Life Coaching Practice which she manages in addition to her radio show "Illuminating Now! Linzi's Life Secrets," which is broadcast on the number one worldwide internet-radio network

show, VoiceAmerica.com and on New York's top AM station that streams through iHeart with over 50 million listeners. She is about to launch her next radio show dedicated to sexual wellness and gender diversity.
