Don Tupper...Your Peace of Mind Mechanic

Tri-Valley Automotive's goal is to identify any problem with your vehicle and have it repaired ahead of schedule to save their customers time and stress.

The professionals at Tri-Valley Automotive, in Dublin, CA are "Peace of Mind" mechanics. Working with domestic, imports, Asian, and European vehicles, they pride themselves in the quality, honest workmanship and customer service that they are known and respected for.

In Dublin, since 2003, Tri-Valley Automotive provides value and

superior repair for cars and trucks that will "keep you on the road and not alongside of it."

Serving the Dublin, Livermore, Pleasanton, and San Ramon cities along the 680 corridor, Owner, Don Tupper educates his customers about intricate repairs in terminology that is easy to understand. Don recognizes that to earn respect, you must first give it away.

From a simple oil change, or check

engine light, to a major service job, these experts take special care while under the hood, meticulously checking each shock absorber, and spark plug. Their goal is to identify any problem with your vehicle and have it repaired ahead of schedule; saving their customers time and stress.

Being an advocate for fluid changes for the life of your vehicle, each well-trained, technician enlightens customers on the significance of

Tri-Valley Automotive's Courtesy 30-Pt. Inspection. Checking major driving points including hoses, brakes, AC, and fluids will avoid more complex repairs down the road. Don's belief is that prevention is the cure.

From Don's passion for car racing, and the diversity in car enthusiasts in the Bay Area, Don has extended his resume to Performance Work. It makes sense that in this area of clas-

sic and high-performance vehicles, to offer a reputable service menu for those vehicles that entertain us, and turn our heads.

With a set of keys, comes responsibility. With that responsibility are the invaluable decision-making skills to keep that vehicle "on the road, and not alongside of it."
