Head on towards Chianti, by many foreigners defined as "the most beautiful countryside in the world," famous for the wine, enchants every visitor with the beauty of the architecture of its mediaeval small towns, castles, stone farmhouses, perfectly blended in its breathtaking landscapes as if the whole area were shaped by the hand of an artist. A wine tasting and a special country style lunch in a local winery are included to enjoy the specialties of the area. (Full-day tour, includes deluxe motor coach, escort, lunch)

Lucca and Pisa:

\$95.00 U.S. Dollars per person

Lucca is a peaceful place with narrow lanes that wind among the medieval buildings, opening suddenly to reveal churches, tiny piazzas and many other reminders of the city's long history, including a Roman amphitheater. This town is well known for its magnificent 16th and 17th century ramparts, having remained intact, encircling its narrow streets, which are lined with many medieval buildings. In the afternoon we continue to Pisa to see its incredible Leaning Tower, the bell tower of the 900-year-old Cathedral of Pisa. It is 14 feet off center at the top because of settling after construction was started in 1173. Your visit of Pisa will also include a sightseeing tour of Pisa's Campo dei Miracoli, or Field of Miracles, to see the Baptistery, Duomo (entrance included); all fine examples of the Pisan-Romanesque architectural style. (Full-day tour; escort, local guides, entrance, deluxe motor coach)
