Ribbon Cuttings

Creating new jobs, stronger economy

Alameda Pediatric Dentistry & Orthodontics — Alameda Pediatric Dentistry & Orthodontics has moved to a new, state-of-the-art facility at 4471 Stoneridge Drive! Recognized with the 2023 Pillars of Pleasanton Award, they have been serving families in Pleasanton for over 15 years. The dental practice features private treatment rooms, family rooms, increased appointment availability, and enhanced services including laser dentistry and same-day orthodontics. They specialize in being able to treat all kids, including those with special needs. New patients under 24 months old can enjoy a complimentary “Baby’s First Smile” visit. Call today to learn how their approach helps prepare children for a lifetime of healthy smiles! (510) 521-5437.
